Evacuation Plan:

If for any Reason Evacuation in Required (Earthquake, Fire, or any other Emergencies) Please:

1. Evacuate the building – **USE THE STAIRS, NEVER USE THE ELEVATOR.**
2. Go to your Emergency Assembly Point (**On the grass outside the Law School**) – take your personal belongings in case you can't reenter the building.
3. Wait for instructions from fire department and team leaders.

Prepare your own personal emergency plan, and keep a personal emergency kit at your desk. This should include a flashlight, back-up eyeglasses, medication, sturdy shoes, a sweater, snacks, and personal emergency contact numbers.
