

Little Field Emergency Information

If the fire alarm sounds

1. Evacuate the building – USE THE STAIRS, NEVER USE THE ELEVATOR.
2. Go to your Emergency Assembly Point (EAP) – take your personal belongings in case you can't reenter the building.
3. Wait for instructions from fire department and team leaders.

Prepare your own personal emergency plan, and keep a personal emergency kit at your desk. This should include a flashlight, back-up eyeglasses, medication, sturdy shoes, a sweater, snacks, and personal emergency contact numbers.
