

ALUMNI EXCELLENCE IN EDUCATION AWARD

STANFORD GRADUATE SCHOOL OF EDUCATION

The Stanford Graduate School of Education (GSE) welcomes nominations for the Alumni Excellence in Education Award. Strong candidates across a wide range of education sectors (districts, non-profits, tech, academia or research) will have demonstrated excellence in one or more of the following areas:

- ❖ Advancement of knowledge through research, teaching, publications or technology as it relates to the interdisciplinary field of education
- ❖ Commitment to dynamic, high-quality educational practice at the classroom, school site, or district level as a teacher, principal or district leader
- ❖ Dedication to underserved and low-resourced student populations
- ❖ Innovation in addressing a timely issue or challenge in education
- ❖ Leadership in educational policy at the local, state, federal or international level

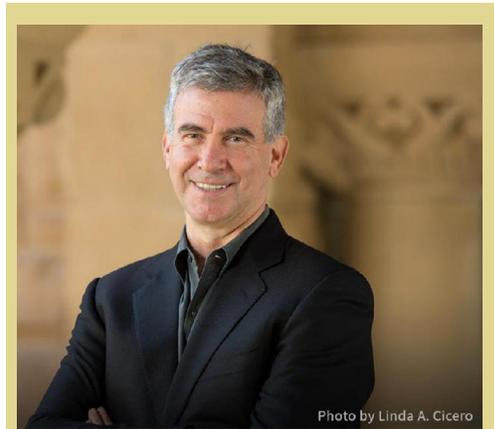

Nominations for all GSE alumni, from recent graduates to those with more established careers, are welcome.

Nominations are due April 4, 2022 by 11:59 pm Pacific.

The GSE Alumni Excellence in Education Award will be presented at the GSE Alumni Award Reception during Reunion Homecoming Weekend in October 2022. We strongly encourage that award recipients attend the award reception in person. A travel stipend is available to award recipients who need to travel to Stanford from beyond the San Francisco Bay Area.

This award program is led by a group of dedicated Stanford GSE alumni who are partnering with the school to strengthen and engage the GSE alumni community by recognizing the outstanding contributions of GSE trained teachers, principals, scholars, innovators and education leaders.

Questions? please contact Holly Materman at holly.materman@stanford.edu or (650) 723-0630.

“GSE alumni are leading the way in efforts to elevate the promise of education for children, families and nations. I’m honored to invite your participation in a call for nominations for the Stanford Graduate School of Education Alumni Excellence in Education Award. This award marks a critical step in our drive to highlight the transformative work of our alumni.”
