

Jelena Obradović, Ph.D.

Curriculum Vitae, January 2019

Graduate School of Education
Stanford University
485 Lasuen Mall, Stanford, CA 94305
650-725-1250, jelena.obradovic@stanford.edu
<http://web.stanford.edu/group/sparklab/>

EDUCATION

- Ph.D.** Developmental Psychology, minor in Statistics
Institute of Child Development, University of Minnesota, 2007
- M.A.** Developmental Psychology
Institute of Child Development, University of Minnesota, 2005
- B.A.** Honors in Psychology, *summa cum laude*, Lewis and Clark College, 2002

ACADEMIC AND PROFESSIONAL APPOINTMENTS

- 2017-** Associate Professor, Graduate School of Education, Stanford University
Developmental and Psychological Sciences (DAPS) Program
- Steering Committee Member, Stanford's Center for Education Policy Analysis
Advisory Board Member, Stanford's Catalyst for Collaborative Solutions
Advisory Board Member, John W. Gardner Center for Youth and their Communities
- 2009-2017** Assistant Professor, Graduate School of Education, Stanford University
- 2007-2009** Postdoctoral Research Fellow, University of British Columbia
Human Early Learning Partnership (HELP)

HONORS AND AWARDS (SELECTED)

- 2018-2020 Jacobs Foundation Advanced Research Fellowship
2013 Society for Research in Child Development,
Early Career Research Contribution Award
- 2012-2017 William T. Grant Foundation, Scholar Award
- 2009-2014 Canadian Institute for Advanced Research, Global Academy Member
- 2009-2011 Canadian Institute for Advanced Research Network on Experience-Based Brain and
Biological Development, Global Scholar
- 2007-2009 Killam Postdoctoral Research Fellowship, University of British Columbia
2009 Jacobs Foundation Conference, Marbach, Germany, Young Scholar
- 2006-2007 National Institute of Mental Health, Predoctoral Training Fellowship
- 2006-2007 Interdisciplinary Resilience Research Network, Member
- 2004-2006 CEHD Research Award, University of Minnesota
- 2004-2005 Hauge Fellowship, University of Minnesota

2003-2004	Eva O. Miller Fellowship, University of Minnesota
2002-2003	Marian Radke Yarrow Fellowship, University of Minnesota
2002-2003	Open Society Institute Global Supplementary Grant
2002	Rena Ratte Award (highest honor to one graduating senior), Lewis and Clark College
1999-2002	Robert B. Pamplin Fellowship and Honor Society, Lewis and Clark College

GRANT SUPPORT

2019-2021	Spencer Foundation Small Grant <i>Assessing Elementary Students' Intrapersonal Social and Emotional Learning</i> Role: Principal Investigator
2018-2020	SRCD - Jacobs Foundation Young Scholar Exchange & Research Collaboration <i>Contribution of Executive Function to Literacy Development in Impoverished Settings</i> Role: Co-Investigator with Dr. Kaja Jasinska and Amy Ogan
2018-2020	Jacobs Foundation Advanced Research Fellowship Grant <i>Interplay of Stress Physiology and Socioemotional Learning in Young Children</i> Role: Principal Investigator
2018-2019	Stanford University/S.F. Unified School District Partnership Incentive Fund <i>Classroom Practices and Students' School Readiness Skills</i> Role: Principal Investigator
2018-2019	Technology for Equity in Learning Opportunities (TELOS) Grant <i>Tablet-Based Assessments of Intrapersonal Social and Emotional Learning</i> Role: Principal Investigator
2016-2017	Stanford University/S.F. Unified School District Partnership Incentive Fund <i>Educational Success of Highly Mobile Students</i> Role: Principal Investigator in collaboration with John W. Gardner Center team
2012-2018	William T. Grant Foundation Scholars Grant <i>Executive Functions and Biological Sensitivity in Classroom Settings</i> Role: Principal Investigator
2013-2016	Bio-X NeuroVentures Grant <i>Using Bioscience to Advance Research on Adaptation, Resilience, and Learning</i> Role: Co-Principal Investigator with Dr. Paulo Blikstein at Stanford University
2012-2015	Grand Challenges Canada, Saving Brains Grant <i>Early Childhood Cognitive Stimulation and Successful Transition to Preschool in a Disadvantaged Population in Rural Pakistan</i> Role: Co-Principal Investigator with Dr. Aisha Yousafzai at Aga Khan University
2009-2011	Canadian Institute for Advanced Research, Global Scholars Grant <i>Children's Susceptibility to Environmental Influences</i> Role: Principal Investigator

- 2009-2011 **Jacobs Foundation Young Scholars Research Grant**
Competing Cultural and Cognitive Practices as Stressors for Immigrant Youth
 Role: Co-Principal Investigator with Dr. Janxin Leu at University of Washington
- 2007-2010 **National Institute of Mental Health Grant (R24 MH081797)**
Social Disparities in the Early Neurobiology of Stress
 Role: Co-Investigator (PI: Dr. Thomas Boyce at University of British Columbia)
- 2006-2007 **National Institute of Mental Health Grant (T32 MH015755)**
Self-Regulation and Adaptation in Homeless Children Transitioning into School
 Role: Principal Investigator

CONSULTANT

- 2015-2020 **Institute of Educational Sciences (R305N160018)**
Identifying Malleable Factors for Promoting Student Success
 PI: JoAnn Hsueh at MDRC
- 2015-2016 **Robert Woods Johnson Foundation**
Using Virtual Reality to Teach Empathy
 PI: Dr. Jeremy Bailenson at Stanford University
- 2012-2014 **National Institute of Child Health and Human Development (R03 HD067404)**
Stress and Moral Judgment Variation across Contexts among Immigrant Asian Youth
 PI: Dr. Janxin Leu at University of Washington

INVITED ADDRESSES AND COLLOQUIA (SELECTED)

Obradović, J. (2017, November). *Implications of Executive Functioning for Adaptation and Resilience*. Center for Policy, Outcomes and Prevention, Stanford University Medical School.

Obradović, J. (2017, October). Executive Functioning in Children and Their Caregivers: Implications for Adaptation and Resilience. Invited talk at the Institute of Human Development Colloquium, University of California, Berkeley.

Obradović, J. (2017, October). Self-regulation in children and their caregivers: Implications for adaptation and resilience in early childhood. Invited Burack Lecture at the University of Vermont.

Obradović, J. (2017, September). Invited speaker and participant at the International School on Mind, Brain and Education "Neuroscience of poverty" at the Ettore Majorana Centre for Scientific Culture, in Erice, Italy.

Obradović, J. (2016, November). The science of resilience: Overcoming early adversity. Invited talk at the *Building Strong Brains, Tennessee ACEs Initiative* symposium, Memphis, TN.

Obradović, J. (2016, May). Early adversity, executive functioning, and physiological responsivity: Implications for educational inequality. Invited talk at the Education and Inequality in 21st Century America Conference, Stanford Center for Education Policy Analysis, Palo Alto, CA

Obradović, J. (2016, May). Contextual determinants of executive functioning development. Invited talk at the Developmental Psychology brownbag series, Stanford University, Palo Alto, CA.

Obradović, J. (2016, April). Studying executive functioning skills, classroom quality, and school success in middle childhood. Invited talk at the Human Development and Psychology Department colloquia, UCLA Graduate School of Education, Los Angeles, CA.

Obradović, J. (2016, February). Importance of self-regulation and executive functioning in classroom settings. Invited talk at the Learning & the Brain “Shaping Student Mindsets: Promoting Academic Attitudes, Persistence and Performance” Conference, San Francisco, CA.

Obradović, J. (2015, November). Approaches to evaluation of environmental factors in resilience research. Invited talk and workshop participant at the National Institute of Health’s Resilience Workshop, Washington, DC.

Obradović, J. (2014, December). Cumulative risk index: Applications, limitations, and future directions. Invited presentation at the Institute of Medicine and the National Research Council’s Board on Children, Youth and Families meeting, Washington, DC.

Obradović, J. (2014, May). The importance of physiological reactivity and executive functioning in the context of risk and resilience. Invited talk at the Robert Wood Johnson Scholars colloquium, San Francisco, CA.

Obradović, J. (2014, April). The importance of physiological reactivity and executive functioning in the context of risk and resilience. Invited talk at the Social Psychology Lab colloquium series at Stanford University, Palo Alto, CA.

Obradović, J. (2014, February). The importance of physiological reactivity and executive functioning in the context of risk and resilience. Invited talk at the Aga Khan University, Karachi, Pakistan.

Obradović, J. (2013, August). The importance of physiological reactivity and executive functioning in the context of risk and resilience. Invited talk at the HopeLab, Redwood City, CA.

Obradović, J. (2013, June). Lessons learned from measurement adaptation: Executive function battery for 4-year-olds in Pakistan. Invited talk at the Grand Challenges meeting, Calgary, CA.

Obradović, J. (2013, April). The importance of physiological reactivity and executive functioning in the context of risk and resilience. Invited talk at the annual meeting of the American Educational Research Association, San Francisco, CA.

Obradović, J. (2013, April). The effects of early childhood intervention on brain development and school readiness in at-risk children living in rural Pakistan. Invited talk at the Harvard University Medical School, Boston, MA.

Obradović, J. (2013, February). Stanford Project on Adaptation and Resilience in Kids. Invited talk at the Graduate School of Education Faculty colloquia, Stanford University, Stanford, CA

Obradović, J. (2013, February). Reactivity, recovery, and regulation. Invited presentation at the National Institute of Aging Reversibility Network, Washington, DC.

Obradović, J. (2012, December). Executive functions: Theoretical and methodological consideration. Invited presentation at the Grand Challenges Meeting, Ottawa, Canada.

Obradović, J. (2012, February). Executive function, adversity and stress reactivity: Implications for education. Invited talk at the Learning & the Brain “Educating the Whole Student for Smarter, Happier and Healthier Learners” Conference, San Francisco, CA.

Obradović, J. (2011, March). Forget about the flowers: Conceptual and methodological issues in biological sensitivity to context theory. In C. A. Nelson (Chair) Orchids and Dandelions: Beyond the Metaphor Invited Views by Two symposium conducted at the biannual meeting of the Society for Research in Child Development, Montreal, Canada.

Obradović, J. (2010, October). How can the study of physiological reactivity contribute to our understanding of risk and resilience processes in development? Invited talk at “Risk and Resilience in Mental Health and Development: A Symposium Celebrating the Legacy of Norman Garmezy,” University of Minnesota, Minneapolis, MN.

Obradović, J. (2010, May). Four waves of resilience research. Keynote talk at Stanford Undergraduate Psychology Conference, Stanford University, Palo Alto, CA.

Obradović, J. (2010, April). Adaptive functioning in contexts of adversity: The role of stress reactivity. Invited talk at the Developmental Psychology, Stanford University, Palo Alto, CA.

Obradović, J. (2008, January). Adaptive functioning of homeless children. Invited colloquium at the Institute of Child Development, University of Minnesota, Minneapolis, MN.

CONFERENCE PAPER PRESENTATIONS (SELECTED)

*Bardack, S., Baharav, H., Leos-Urbel, J., & Obradović, J. (2018, April). Importance of socio-emotional learning for academic achievement of homeless and highly mobile students. Paper presented at the American Educational Research Association Annual Meeting, New York, NY.

*Ballard, P., & Obradović, J. (2015, March). The dynamic experience of ostracism: Physiological trajectories and individual differences. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Bardack, S., & Obradović, J. (2015, March). Parent emotion socialization, gender and socio-emotional competence as determinants of teacher-child closeness. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Bardack, S., & Obradović, J. (2015, March). The Teacher Executive Functioning Modeling and Scaffolding (TEMS): Preliminary validity on observing teacher emotional regulation. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Finch, J. E., & Obradović, J. (2015, March). Separating socioeconomic and emotional adversity: Links between early life stress and children's executive functioning skills. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Haft, S., *Finch, J. E., & Obradović, J. (2015, March). Executive function and beyond: Challenge preference as a motivator for children's success in school. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Haft, S., *Finch, J. E., & Obradović, J. (2015, March). Linking executive function and fine motor skills in middle childhood: Implications for academic achievement. Poster presented at the biannual meeting of the Society for Research in Child Development, Philadelphia, PA.

*Bardack, S., & Obradović, J. (2014, September). Developing the Teacher Executive Functioning and Scaffolding (TEMS) classroom observation protocol. Poster presented at the Society for Research on Child Development Developmental Methodology Conference, San Diego, CA.

*Bardack, S., & Obradović, J. (2014, May). Parent emotion socialization and socio-emotional competence as determinants of early school adjustment. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

*Ballard, P., & Obradović, J. (2014, March). Parasympathetic arousal to social challenges and parent-rated social behavior: Gender differences among young children. Poster presented at the annual meeting of the American Psychosomatic Society, San Francisco, CA.

*Tirado-Strayer, N. & Obradović, J. (2013, April). The role of multiple measures of adversity in predicting depression in college-aged immigrant youth. Poster presented at the biannual meeting of the Society for Research in Child Development, Seattle, WA.

*Portilla, X., & Obradović, J. (2013, April). The protective role of bilingualism for executive functioning in emotionally dysregulated children. Poster presented at the biannual meeting of the Society for Research in Child Development, Seattle, WA.

*Portilla, X., Obradović, J., *Jahromi, P., & W. T. Boyce (2012, February). The interactive effects of teacher-child relationships and family adversity on kindergarten school engagement. Poster presented at the SRCD Themed Meeting: Positive Development of Minority Children, Tampa, FL.

Zaidman-Zait, A., Belingard, L., Lam, S., Obradović, J., & Boyce, W. T. (2011). Parent-child relationships and children's externalizing and internalizing symptoms: The role of RSA reactivity. Poster presented at the National Academy of Science Sackler Colloquia, Biological Embedding of Early Social Adversity: From Fruit Flies to Kindergarteners, Irvine, California.

*Jahromi, P., Obradović, J., & W. T. Boyce (2011, April). Measuring prosocial behavior among ethnically diverse kindergartners: Data from multiple informants. Poster presented at the biannual meeting of the Society for Research in Child Development, Montreal, Canada.

Obradović, J. (2009, April). Resilient and maladaptive adaptation of immigrant youth living in Greece. Poster presented at the Jacobs Foundation Conference on "*Capitalizing on Migration: The Potential of Immigrant Youth*," Marbach Castle, Germany.

Lafavor, T. L., Langworthy, S. E., Obradović, J., & Masten, A. S. (2009, April). Predicting ADHD problems at school among children residing in homeless shelters: The role of executive function. Poster presented at the biannual meeting of the Society for Research in Child Development, Denver, CO.

Lee, W. S.C., Reed, D., Obradović, J., & Masten, A. S. (2009, April). The predictive validity of delay tasks in young homeless children. Poster to be presented at the biannual meeting of the Society for Research in Child Development, Denver, CO.

Sapienza, J. K., Monn, A., Obradović, J., & Masten, A. S. (2009, April). Verbal ability as a protective factor for executive function in homeless children. Poster to be presented at the biannual meeting of the Society for Research in Child Development, Denver, CO.

Shiner, R. L., Obradović, J., Cutuli, J. J., & Masten, A. S. (2007, March). Resilience from childhood through adulthood: What is the role of personality? Poster presented at the biannual meeting of the Society for Research in Child Development, Boston, MA.

ADDITIONAL RESEARCH COLLABORATIONS

Athena Studies of Resilient Adaptation, University of Athens, Greece
Role: Collaborator; PI: Dr. Frosso Motti-Stefanidi

Peer and Wellness Study, University of California, San Francisco
Role: Co-Investigator; PIs: Dr. Thomas Boyce, Dr. Nancy Adler

MENTORING

Ph.D. Students, Stanford University

Primary Academic Advisor

Ximena Portilla (MDRC Research Associate)
Angharad Ames (Resident Physician at UC Riverside)
Nicole Tirado-Strayer (West Ed Research Associate)
Sarah Bardack (Imagine Research Analyst)
Jenna Finch (Associate Professor at UNL)

Secondary Academic Advisor

Parissa Ballard, Brandy Quinn, Tara Chiatovich, Kijoo Choo, Shannon Brady, Elisa Garcia, Jakki Bailey

Dissertation Committee

Neema Moraveji, Brandy Quinn, Tara Chiatovich, Parissa Ballard, Ben Master, Ximena Portilla, Kijoo Choo, Nicole Tirado-Strayer, Jakki Bailey

Undergraduate Students, Stanford University

HB-REX Program Supervisor

Jennifer Hamilton, Grace Huh, Janelle Wolak, Tatum Sohlberg, Justina Chow, Laura McMartin, Alison Buchsbaum, Victoria Kalumbi, Esther Li

Honors Thesis Advisor

Grace Huh, Marly Carlisle

Academic Advisor

Ben Arevalo, Andrea Fuentes, Jennifer Hamilton, Osha Kondori, Janelle Wolak, Alison Buchsbaum

Research Assistants in SPARK Lab

Alison Buchsbaum, Alaina Buttler, Marly Carlisle, Justina Chow, Inbal Deatsch, Phil Delrosario, Cory Dodson, Annie Graham, Stephanie Haft, Jennifer Hamilton, Ariana Hoyt, Grace Huh, Victoria Kalumbi, Pats Limcaoco, Laura McMartin, Cyrus Ready-Campbell, Tatum Sohlberg, Lizzy Stier, Lily Steyer, Janelle Wolak

TEACHING

Graduate Courses

Parenting and Family Relations in Childhood, Stanford University
Child Development in Contexts of Risk and Adversity, Stanford University
Poverty, Inequality, and Education, Stanford University
Developmental Psychopathology and Resilience, Stanford University
Stress Reactivity and Biological Sensitivity to Context, Stanford University
Psychological and Educational Resilience among Children and Youth, Stanford University
Cognitive Development in Childhood and Adolescence, Stanford University

Undergraduate Courses

Childhood and Adolescence, University of British Columbia
Biological Foundation of Development, University of Minnesota

Exploring Adolescence through Film, University of Minnesota
Social and Personality Development, University of Minnesota
Introduction to Child Development, University of Minnesota
